

CSword::useItem

```
graph LR; A[CSword::useItem] --> B[CEquipment::setAttack]
```

A diagram showing a call from CSword::useItem to CEquipment::setAttack. The first box, CSword::useItem, is shaded gray and has a black border. A blue arrow points from its right side to the second box, CEquipment::setAttack, which is white with a black border.

CEquipment::setAttack
